Redaksioneel

Dinge het hierdie maand vir my 'n bietjie verkeerd geloop. Ek poog om, met die twintigjarige bestaan van die vereniging, 'n gedenk uitgawe saam te stel. Die poging het egter sover minder suksesvol verloop. Ek gaan dus nou net 'n uitgawe uitstuur met die noodsaaklikste informasie en dan aan die einde van hierdie maand die beoogde een die lig laat sien.

Ek vertrou dat almal sal verstaan!

Programme for November

- Saturday, 14 November, 09h00-11h00. Cabinet makers will meet at Leon Wolmarans' workshop. 754 Richmond Street, Erasmuskloof (Tel 012 347 5839 or 072 179 7545) The agenda:
Douglas to demonstrate the joining of bandsaw blades.
Discussion: Woodworking problems and solutions.
Programme for 2010.

(I do not have much say in these things, but I want to ask our members to attend this meeting so as to get the cabinetmaking of our association onto a good start for next year –Ed)

- Wednesday, 18 November, at 18h00: The turners will meet at the workshop of Willie de Wet. A separate notice about this meeting has been sent by Lou Coetzer.

- Wednesday, 25 November, at 18 h 00: The monthly meeting at the University of Pretoria. Hans Kretschmer will give us ideas on how to run a small workshop.

Advert

Paul Roberts advised about a person, Andrew Oosthuizen (tel 083 440 6026) who has 6 SA pine stoep chairs with flat arms, which need replacement. They were chewed by his dog . Andrew will pay for these repairs. Anyone interested can contact Andrew direct. (I suppose it is the arm rests that was damaged- Ed)
